

2017 B.E.S.T. Evening Sessions and Saturday Schedule

Dear B.E.S.T. Parents, Students, Mentors and Support Team:

We have 5 weeks of Practices, unless another school activity (sports, musical) I also expect you to work while you are at practice if you are ask to leave because you are not willing to work or distracting those who are working you will be asked to leave for the night. The week between Practice Day and Game Day schedules may change and if your child is a driver they are expected to drive at minimum 15 hours that week. I will be at the school from 6:00 to midnight to accommodate all driver schedules. (I know that is a huge time commitment for them that week but to be competitive that's the minimum of driving time for each of the 6 drivers)
