Each employee is urged to confer, in an informal manner, with his/her immediate supervisor in an effort to resolve the grievance. If this is not successful, the following procedure will be used to resolve grievances.

1. The grievance will be presented in writing to the immediate supervisor who will render a written decision within ten (10) days to the employee. If this is not satisfactory the employee may submit the grievance and a copy of the immediate supervisor's response to the superintendent.
2. The superintendent shall respond in writing to the employee within ten (10) days. If unsatisfied with the decision of the superintendent, the complainant has the right to appeal to the Board of Education. The decision of the Board of Education will be final.

No reprisals of any kind will be taken by the district or the school administration against any employee by reason of participation in the grievance procedure.

J. Personnel Evaluation

New classified employees will be on probation for thirty (30) calendar days. This will permit the employee to adjust to new duties and become acquainted with operational procedures of the school district.

Following the first thirty (30) days on the job, the work performance of the new employee will be reviewed by the immediate supervisor. At that time, employment may be continued or terminated.

Thereafter, evaluation will be held as deemed necessary by the district supervisory and/or administrative staff and in accordance with Board policy.

It is understood that during the course of a work day, there is constant evaluation between the employer and employee. Problems or questions of either party should be discussed when the need arises.

K. Resignation/Termination

Any employee who wishes to resign should submit a written notice to his/her immediate supervisor at least ten (10) working days prior to resignation. Any employee may be terminated by the superintendent.

If you cannot report to work as scheduled, you MUST notify your supervisor or building principal. If your need for time off is foreseeable, you must provide as much notice as possible. If your need for time off is not foreseeable, you must provide as much notice as practicable, but in no event less than one (1) hour prior to your normally scheduled starting time.
