CIRCLE MIDDLE SCHOOL STUDENT HANDBOOK

GENERAL INFORMATION

ANNOUNCEMENTS

Announcements will be made at the beginning and before the end of the school day. As necessary, other announcements will be made using the intercom system.

AGENDA BOOKS

All teachers require students to have their CMS agenda book with them and use it daily. The agenda book is part of the textbook requirements. The agenda book is a learning and organizing tool intended to enhance academic performance. The agenda book also contains the Student Handbook. If agenda book is lost or stolen, there will be a replacement charge.

ARRIVAL AND DEPARTURE

Circle Middle School office hours are 7:30 AM-4:00 PM Monday through Friday. Students are to arrive at school no earlier than 7:50 am. However, if arriving before 7:50 am, students are to report to the cafeteria. Students arriving after 8:15 AM must check in at the office and have a note or a phone call from their parents explaining why they are late. Students are to be out of the building by 3:30 PM each day. Exceptions to these times are sports practices, extra-curricular activity practices, detentions, or tutoring.

ASSEMBLY CONDUCT

Assemblies are presented during the year at times advantageous to the student body. They provide opportunities in school to learn formal audience behavior. In keeping with good school spirit the following rules will be observed:

1. Students will show T-Bolt P.R.I.D.E. at all times.
2. Students will sit in groups as assigned by the teacher or principal.
3. All students will enter and leave the auditorium promptly, quietly be seated and refrain from unnecessary noise.
4. Hand clapping is the only acceptable kind of applause.

BUS SCHEDULE/REGULATIONS

Buses are scheduled to arrive by 8:00 am and leave approximately five (5) minutes after school is dismissed. If students or parents have any questions regarding specific pickup times and places, they should contact the transportation division of Circle USD 375 at 316-541-2631. If there is anything you do not understand or have questions about as you review these rules, please do not hesitate to call the Transportation Department office between 8:00 AM and 3:00 pm. Please remember that riding the school bus is a privilege that may be lost if a student endangers the safety of himself/herself or others by being unable to follow these rules and regulations.

If you are riding the bus from Circle Greenwich Elementary:

Before school: All CMS students should report to the CGE gym/lunchroom. Students are not to wait outside. CMS students should be seated in their assigned area. An adult will dismiss students to board the buses when they arrive. Students are not to leave the lunchroom without permission.

After School: When buses arrive at CGE, students will remain in designated area awaiting parental transportation. Students are not to enter the building unless there is a need to use the school phone or in case of inclement weather.

If you are riding the bus from Circle Towanda Elementary:

Before school: All CMS students should report to the CTP gym/lunchroom. Students are not to wait outside. CMS students should be seated on the stage steps. An adult will dismiss students to board the buses when they arrive. Students are not to leave the lunchroom without permission.

After school: When buses arrive at CTP, students are to immediately leave the school grounds if walking home or sit on the benches by the building and wait for their ride. Students are not to enter the building unless there is a need to use the school phone or in case of inclement weather.

If you are riding the bus from Circle Benton Elementary:

Before school: All students waiting to ride the bus shall wait along the cement wall in front of the school entrance. On days with inclement weather, students will be allowed to wait inside the front porch area until the buses arrive. Students are required to ride the bus to and from CBE. NO walking.

After school: When buses arrive at CBE, students are to immediately leave the school grounds if walking home, or remain in the front porch area and wait for their ride. Students are not to enter the building unless there is a need to use the school phone or in case of inclement weather.

If you are riding the bus from Circle Oil Hill Elementary:

Before school: Students who arrive at COE to ride the bus are to wait outside the building in the area by the northwest entry doors. During inclement weather, students may choose to wait inside the building by entering through the northwest entry doors. While waiting inside the building, CMS students are to be located just inside the doors and should remain in this general area until the buses arrive.

After school: CMS students who arrive at COE after school and catch a different bus should remain on the north side of the building until the bus arrives. During inclement weather, students will remain on the bus until their transfer bus arrives. CMS students needing any kind of assistance should enter the building through the front doors and report to the office. The Circle USD 375 Transportation Department is dedicated to providing the safest student transportation service that is possible. To that end, the following regulations and rules governing student transportation have been developed.

BUS ROUTES: Bus routes are mapped out with primary regard to safety, efficiency and economy. Buses will be routed as close to home as possible, but other considerations may make it necessary to have children walk short distances. Buses will not pull into a driveway to pick up children unless it is deemed necessary to turn around.

The district is not required to transport pupils living less than 2.5 miles from a school. Students who live within 2.5 miles of their school may be transported on a space available basis or when traffic conditions warrant school bus transportation to ensure student safety. Unless required by federal or state regulations, bus service will not generally be provided within the city limits of any community in the district. Buses will not take children to babysitters unless the sitter is on the assigned route.

In closed-in areas, or developments, bus stops will be established and pupils will be expected to meet the bus at the stop. It is very important that students be at the bus stop when the bus arrives as the bus cannot wait for students who are late.

OFF ROUTE REQUESTS: Buses will not take children to destinations off the regular route. With written permission from the child's parent/guardian, the driver will let children off any regular stop long the designated route. Drivers are instructed not to let children off at any place except their own designated stop without written permission from the child's parent/guardian.

BOARD OF EDUCATION POLICY: Bus transportation will be provided to and from school for those students who qualify. Transportation will be provided by the district for all extra class activities. Students are prohibited from driving personal automobiles to district sponsored activities held during the school day.

Students must observe the rules and regulations adopted by the board governing student transportation. Students will also be subject to the schools behavior code while riding school buses. The transportation director and the building principals may suspend or revoke the transportation privilege or entitlement of any student who violates any rules or regulations adopted by the board. All such rules shall be published at least once each year or copies given to student and parents at the beginning of the school year.

Bus drivers shall report any violation of said rules to the appropriate administrator who shall take the necessary steps to discipline students according to board policy. As a disciplinary action for violation of board rules, a student may be refused school bus transportation but required to attend school

HEALTH SERVICES

The school nurse advises and assists the principal and teachers in planning and carrying on a school health program. The school nurse DOES NOT diagnose any condition. The nurse administers over the counter or prescribed medication in the original container, ONLY with specific physicians order and parents written consent. Medication forms are available in the office or the order may be faxed from the physician to the school. The nurse plans, schedules and assists with all school screening examinations. She interprets and follows up all matters pertaining to the health of the pupil. In order to protect students from possible exposure to diseases, students who are ill should not come to school. It is the duty of the school to exclude any child who appears to be ill or suspected of having an infectious or contagious disease. It is the responsibility of the parent to make such arrangements that the ill or injured student will be picked up by a parent or by the person assigned to do so. Students are not allowed to walk home, ride a bike or drive a vehicle home. School health rooms are to care for those pupils who become ill or injured at school and the school can only offer TEMPORARY care and first aid. Except in emergencies, students should always report to class first, obtain a pass and then go directly to the health room when ill. Students are not to stop between classes unless given permission by the nurse. Texting or calling a parent from a personal phone is prohibited as communication. Consequences will be administered for violation of electronic device. Students who are too ill to remain in the classroom shall go home.

Those students claiming religious or medical exemptions should have a letter on file with the school district. This letter should state the tenets of the church or the physical condition of the child that preclude immunization. It is not adequate to have the legal alternative section signed in the Kansas Certificate of Immunization.

For immunizations required refer to the State of Kansas website at www.kdhe.gov/immunize or the district website at www.usd375.org under Health Services.

HOMEBOUND

"Homebound" is a program offered to students who has specific long-term health or personal problems that are better dealt with outside the regular school environment. The homebound program is coordinated through the building principal and district office. Acceptance into the program must be at the request of a physician. Parents or school personnel may initiate the action leading to acceptance into the program on behalf of students, if there is a need and a physician supports that need.

INSURANCE

The Circle School District carries no accident insurance policy on its students. Students may purchase United Healthcare Student Protection accident insurance. One plan covers accidents at school during the day and while attending a school-sponsored and supervised activity. A second plan will provide 24 hour accident insurance. This information is available online at www.K23StudentInsurance.com.

LOCKERS

The school lockers shall be under the supervision of the building administration and assigned to students to store necessary school materials and clothing. Students will show T-Bolt P.R.I.D.E. in using their locker. The building administration may search any locker **at any time**. Use of law enforcement officials and drug-sniffing dogs may be utilized in performing locker searches. The student will be held responsible for their assigned locker and its contents and will be assessed a fee for damages, painting and/or cleanup according to the district's vandalism policy. Each student at CMS will have an individual locker with a built in combination lock. **This locker is to be kept locked at all times.** The office will make all locker assignments. Students must keep the locker assigned to them. No sharing of lockers with other students. Do not tell other students your combination. Book bags/handbags/purses are to remain in their locker.

LOST, STOLEN OR FOUND ITEMS

Any articles found should be turned into the office. Lost or stolen articles should be reported to a teacher or the office immediately. Items that are not claimed and remain in the office for more than 30 days may be disposed of in a manner approved by the administration.

LUNCHROOM GUIDELINES

Circle Middle School has a closed lunch period. Students are required at the beginning and end of their lunch period to move through the academic areas as quietly as possible. Once in the cafeteria, students may not leave until the end of the period unless they have permission from a staff member. Students are to use the restroom and drinking fountains adjacent to the commons area during lunch. While in the cafeteria, students are not to make excessive noise or infringe on the rights of others. Prior to dismissal all food or supplied beverages will be consumed. Consumption of food in the hallways during passing periods is prohibited. T-Bolt P.R.I.D.E. will be demonstrated at all times.

- Lunches may be purchased in the office before school or during lunch.
- Student identification cards are used as lunch cards. Lost or damaged student identification cards will be replaced for \$3.00.
- Students are only allowed to use their own lunch card to purchase one lunch per day.
- No sharing of lunch cards is allowed.

In order to comply with state and federal meal reimbursement guidelines, student meal accounts are not allowed to incur debt larger than five times the high school lunch rate. If a student's account reaches a negative balance that exceeds the charge limit, the student is no longer allowed to charge meals and will be provided an alternative meal by the district for up to 5 days.

The alternative meal consists of a carton of milk and a cheese sandwich. Since it is provided free to the student, it must be at a minimal cost to the district. After this period, parents/guardians must send money or make arrangements for student meals. When a student's meal account balance gets below \$10.00 an automated message alerts each parent/guardian of their student's meal balance. Parents/guardians may also log in to Powerschool at any time to check meal account balances. School personnel make every effort to collect unpaid meal charges by contacting the parent/guardian through phone calls, emails, and or letters in order to avoid students not receiving a hot meal. **All delinquent debt should be paid in full by the end of the school year. Any debts not collected by the end of the school year will be transferred from non-federal funds to food service.** Parents/guardians are encouraged to fill out an application for Free and Reduced Price School Meals at the beginning of the school year or any point thereafter. Families who do not qualify initially, but have a change in circumstances, should reapply. If a student's meal status changes to a free or reduced status, all outstanding balances must still be paid in full. No charges will be allowed the last (2) weeks of the current school year.

It is best to leave all personal property at home. The district is not responsible for loss or damage to any personal property, even if personal property is lost, stolen or damaged on school grounds.

If appropriate, students who violate the bullying prohibition shall be reported to local law enforcement.

Bullying Program at Circle Middle School

Bullying is defined as aggressive behavior that is intentional and that involves an imbalance of power or strength. Typically, it is repeated over time. A person who is being bullied has a hard time defending him/herself. CMS students are taught to recognize four basic types of bullying.

- **Physical bullying** includes behaviors such as hitting, punching, kicking and pushing. It also includes damaging or destroying another's property. Touching another inappropriately could also be considered physical bullying.
- **Verbal bullying** consists of behaviors such as: name calling, mocking, using hurtful words or threatening another person.
- **Cyber bullying** includes using computer, email, texting, cell phone or social websites to threaten or hurt someone's feelings, single out and/or embarrass an individual, spread rumors or reveal secrets.
- **Emotional or social bullying** is when a bully excludes others from the group, spreads rumors and uses relationships to make others look foolish.

CMS students are taught to recognize bullying, refuse it and report it to the counselor, an administrator or other trusted adult. A bullying report form is available that students or parents may complete anonymously to make the school aware of possible bullying situations. A bullying form is available on the CMS website, www.usd375.org/cms. This form can be used by parents and students to report bullying incidents to the administration.

Unacceptable conduct in the detention room will result in additional detention or in-school suspension being assigned. Transportation for administrative or teacher assigned detention is the responsibility of the parent/guardian.

IN-SCHOOL-SUSPENSION (ISS)

Students placed on In-School Suspension will be isolated from the other students. The student may be permitted to makeup work that is missed and receive credit as outlined in the attendance section of this handbook. Any student who is suspended out of school for a short term (one to five days) is expected to make up all work missed during his/her suspension. As with absences for other reasons, the student is responsible on the day he/she returns to class, to make arrangements with the teacher regarding the completion of the work missed.

This shall include any weapon, any item being used as a weapon or destructive device, or any facsimile of a weapon. (JCDBB-see JCC, EBC and KGD) Possession of a firearm or other weapon shall result in expulsion from school for a period of one (1) calendar year. The Superintendent may recommend this expulsion requirement be modified on a case-by-case basis (see JDC). Expulsion hearings for possession of a weapon shall be conducted by the Superintendent or the superintendent's designee. Students violating this policy shall be referred to the appropriate law enforcement agency(ies).

DEFINITION OF WEAPONS AND DESTRUCTIVE DEVICES

OTHER TYPES OF WEAPONS

Any other article that could be considered a weapon (e.g. small knife, etc.), which does not specifically meet the definition under state and federal statute, may also result in expulsion for up to one calendar year.

The board will seek restitution according to law for loss and damage sustained by the district because of malicious mischief, vandalism, burglary and other wrongful acts by adults or juveniles. Parents or guardians of juveniles under the age of 18

who are living with said parents/guardians are responsible for vandalism loss and damage caused by their children. Legal procedures may be instituted at the recommendation of the principal and/or superintendent.

ACADEMICS

Students will show T-Bolt P.R.I.D.E. with their academics.

POWERSCHOOL/STUDENT PROGRESS

PowerSchool is a free service that provides parents/guardians and student with detailed online information regarding grades, attendance, discipline and student information, emergency contacts and fees. Parents/guardians may obtain their password from the middle school office. Student receive passwords when they pick up their semester schedules. PowerSchool can be accessed by going to www.usd375.org. For parents/guardians who do not have access to a computer/internet, a traditional paper copy of the progress report will be mailed home every 4 1/2 weeks upon request.

HONOR ROLL

At the end of each semester, the Honor Roll list will be compiled. The list will contain the names of those students whose academic grade average was a 3.125 or better. To be eligible for the Honor Roll, students must meet KSHSAA guidelines for eligibility. Pass/Fail courses will not be considered in computing the Honor Roll. Circle Middle School has two honor rolls which have the following requirements:

Gold Honor Roll - Student must earn a 4.000 GPA Black Honor Roll - Student must earn a 3.125 GPA

GRADE MEANINGS AND RANGES

The following is the standard grading scale:

- A = Excellent, Outstanding (100-90%)
- B = Good, Above Average (89-80%)
- C = Average (79-70%)
- D = Below Average, Inferior (69-60%)
- F = Failure, Unacceptable (59% & lower)
- P = Passing

Any work that is not completed at the end of a grading period will be given a zero (0) and averaged in with all other grades received. If a student has extenuating circumstances or severe health problems, exceptions may be made. **It is the student's responsibility to complete the work so the grade can be changed.**

ACADEMIC DISHONESTY

Academic dishonesty, as in cheating or plagiarism, is not acceptable. Cheating includes copying another student's work, such as homework, class work or test answers, as one's own. Cheating is also allowing others to copy. Plagiarism is the use of another person's original ideas or writing without giving credit to the true author. A student who engages in **any form** of academic dishonesty will receive no credit for the work in question and will be reported to the office.

First Violation - A letter will be sent or a phone call will be made to the parent/guardian by the teacher. Zero (0) points will be earned on the assignment, with an opportunity to complete an alternative assignment for ½ credit of the points earned. The student will receive one (1) hour of detention and a letter will be placed in the student's discipline file.

Second Violation - A letter will be sent or a phone call will be made to the parent/guardian by the teacher and a meeting will be held with the teacher(s), administration and parent/guardians. Zero (0) points will be earned on the assignment. The student will receive two (2) hours of detention and a letter will be placed in the student's discipline file.

ATTENDANCE

ATTENDANCE/TRUANCY LAW

Any student under 18 years of age "is required by law to attend school, and if such child is inexcusably absent either three (3) consecutive days or five (5) or more days in any semester, or seven (7) days in one school year, such child is truant" as specified in Kansas School Compulsory Attendance Law. Students who are under the compulsory school attendance law can expect legal truancy notices to be delivered to their parents/guardians by the County Attorney's office and subsequent court action if the truancy problem is not resolved.

ATTENDANCE PROCEDURE

The middle school principal or his/her designee will determine

whether a student's absence is excused or unexcused. The school's daily attendance report will indicate those absences that are unexcused. Student absences will be excused

For the following reasons:

1. Personal illness or injury
2. Personal and family matters

Parents will be held responsible for contacting the school by phone or a personal visit by 10:00 am on the day their child is absent. An attempt will be made by PowerSchool to notify parents who have failed to call or contact the school on the day of the absence. **Absences not cleared by parent/guardian and the school administration, will be considered unexcused.** Excessive absences (3 days or more) will require written documentation from a physician.

ANTICIPATED ABSENCE

Students/parents/guardians having prior knowledge of anticipated absences of three days or more are to notify the office. It is the student's responsibility to meet with teachers to discuss work that may be missed prior to leaving.

UNEXCUSED ABSENCE

An unexcused absence is defined as "a student being absent any ten consecutive minutes or more of the school day without permission from parent/guardian or school." Excused absences must fall within the guidelines of the CMS attendance policy. If an absence is determined to be unexcused, the classroom teacher(s) will be notified.

An administrator will notify the student's parents of any unexcused absence requiring an in-school or after school detention. Class work that is missed while unexcused may be given a zero grade.

TARDINESS

Tardy to school: If a student arrives late to school, he/she must check in at the main office and receive an admit slip before going to class. Each student is allowed three tardies to school, excused or unexcused. Upon further tardiness, students will be issued a 30 minute detention for each additional tardy. This will be per each 9 week period.

Tardy to class: Any student coming into class after the bell without a teacher/counselor/administrator excuse will be marked tardy.

Consequences: (per each 9 week period)

After 3 tardies: Warning

After 4 tardies: 30 minute detention

After 5 tardies: 1 hour detention

After 6 tardies: Parent call and/or Parent meeting

If a student receives more than six (6) tardies it is considered severe and will be dealt with on an individual basis by the administration.

SCHOOL-RELATED ACTIVITIES

Student absences due to school-related (instructional/athletic) activities will not count against the students attendance. Students are required to complete all class assignments within a reasonable amount of time as directed by the classroom teacher. However, failure to complete the required assignments will result in lowering of course grade.

MAKING UP MISSED WORK

The student is responsible for getting all missed assignments from their teachers. If a student has an excused absence on the due date of an assignment, the student must turn in the assignment on the day she/he returns to class, provided that the assignment was made prior to the absence. A student who misses class because of a school sponsored activity may be required by the instructor to complete assignments in advance of the activity. Students should understand that it might be impossible to earn a daily participation grade if not present in a class.

Two class periods are given to complete daily work missed due to each day of excused absence. For extended illness, the student will be limited to five (5) school days following their return to makeup work with the teacher or administration.

Students suspended for one day will be given one day to complete missed assignments. Students who are suspended from school for more than one day will have assignments made available to them on the second day of the suspension. To receive credit for these assignments, they must be completed upon returning to class.

EXCESSIVE ACCUMULATED ABSENCES

Occasionally a student's absences become excessive to the detriment of the student's success and the proper operation of the classroom. At these times, the school must impose additional consequences other than those for individual absences. Students, who have excessive absences, six (6) or more in an individual block or ten (10) days total, not including school business, will be required to bring a "professional" note for each day missed thereafter.

If a doctor's note is not presented to the office after seven (7) days, those absences will be considered unexcused.

ACTIVITIES AND ATHLETICS

Colors: Black and Gold

Mascot: Thunderbolts

STATEMENT OF PURPOSE

Membership and participation in extracurricular and co-curricular activities should have a very positive effect in the development of constructive attitudes for future citizenship. Participants, before starting in the program, should be made clearly aware of its purpose and the procedures for activities in which they are participating. Participation in any extracurricular and co-curricular activity at CMS is a privilege and certain standards of conduct must be maintained. T-Bolt P.R.I.D.E. will be exhibited in all CMS Activities and Athletics.

LIMITED PARTICIPATION

We believe that extracurricular activities are a beneficial extension of the student's academic experience. In order to provide a safe and orderly experience, the limiting of participants may be necessary. These guidelines will be followed in the process regarding the number of participating members. At the discretion of the coaches and athletic director the number of athletes in these sports may be limited or reduced to:

<u>Sport</u>	<u>7th Grade</u>	<u>8th Grade</u>

ATHLETIC/ACTIVITIES SUBSTANCE ABUSE POLICY

The CMS substance abuse policy is designed to create a positive, healthy, drug-free atmosphere for athletics and activities. CMS recognizes that the use of alcohol, tobacco, and drugs, all of which shall be referred to as "substances", increase long term injury and physical damage and lessen the chance for a student to reach his or her full measure of excellence. The primary goal of this plan is to prevent the use, possession, purchase, sale and transfer of these substances. CMS encourages students to participate in a variety of academic, social and athletic activities while maintaining healthy, drug-free lives.

POLICY

During the school year* (including out of season) a student shall not:

- use, possess, sell or distribute a beverage containing alcohol
- use, possess, sell or distribute tobacco products
- use, possess, sell or distribute or abuse illegal drugs
- use, possess, sell or distribute drug simulations

* School year is considered: first day of fall practice and/or first day of school to the last day of school.

Confirmation of Violation:

1. A violation is confirmed by admission of the student or by a signed written statement by an observer.
2. The reliability and validity of an observer shall be determined by a majority vote of a panel consisting of the CMS Principal, CMS Assistant Principal/Activities Director, Circle District Campus Police, one faculty member, the coach/sponsor of the student in question and one impartial coach/sponsor.
3. The CMS Principal and Assistant Principal/Activities Director will be responsible for documentation and implementation of this program.

Violations and Penalties: (for alcohol and tobacco)

First Violation: After confirmation of the first violation, the student will be ineligible to participate for the next competition date. The student will be required to continue practice and prepare for their sport or activity.

Second Violation: The student will be ineligible to participate in competition for 30 calendar days from the administrative recognition of their second violation.

Third Violation: The student will be ineligible to participate in any sport/activity for the remainder of the school year.

Violations and Penalties: (for illegal drugs and drug simulations)

First Violation: After confirmation of the first violation, the student will be ineligible to participate in any sport/activity for the remainder of the school year. Eligibility can be regained by the student if they and their parents agree to a contract for the remainder of the current school year. The contract will have the following stipulations:

1. The student will be ineligible for the next 30 calendar days of competition that they are eligible for. The student will be required to continue practice and prepare for their sport/activity.
2. The student will agree to a UA at least once every 30 days for the rest of the school year. If the student fails the test or refuses to take a UA, the student will be ineligible the rest of the school year.
3. The student and the parents will agree to seek counseling at the expense of the student/parents and provide the administration with the results.
4. The student will not have any alcohol or tobacco violations for the remainder of the school year. If the violation happens, the student will be ineligible for the rest of the school year.

Second Violation: After confirmation of the second violation, the student will be ineligible to participate in any sport or activity for the remainder of the school year.

directed by their sponsor. Coach/sponsor will provide a schedule of activity. Managers are to be in specified areas as designated by their sponsor during practice/game.

STUDENT ACTIVITIES TRANSPORTATION

Activity busses are provided during sports season to transport students to Towanda Primary, Greenwich and Oil Hill. Students are to go and return from school activities in school vehicles unless an administrator, prior to the trip, has approved other transportation arrangements. Students are never allowed to drive to or from school activities by themselves, with another student or without their parent in the vehicle. The following are the only exceptions to this rule:

1. Administrative approval is always required if a parent is taking his/her son or daughter to a school sponsored activity. The administrator must receive a written request from the parent at least one full day prior to the trip.

A student is allowed three (3) unexcused practices. The definition of an unexcused absence from practice includes:

1. In School Suspension (ISS)
2. Out of School Suspension (OSS)
3. Unexcused absence from school
4. Skipping practice
 - The first unexcused absence from practice will result in the Head Coach or sponsor calling the student's parent or guardian.
 - The second unexcused absence from practice will result in a phone call and the student will miss the next game contest.
 - The third unexcused absence from practice will result in dismissal from the team and a phone call will be made to the parents.

GAME SUSPENSION

Any student serving a one game suspension or more is expected not to attend the game(s) with either the team or with their parents.

SIGN-OUT SHEET

At the end of each game there will be a sign-out sheet available for those parents who want to take their child home after the game. This is so coaches will know who is supposed to be riding the bus. Rule 22, Article 3 state a student becomes a member of a school's athletic squad, scholars' bowl or debate team when he or she first participates in a practice session. EMERGENCY SAFETY INTERVENTIONS

The board of education is committed to limiting the use of Emergency Safety Interventions ("ESI"), such as seclusion and restraint, with all students. The board of education encourages all employees to utilize other behavioral management tools, including prevention techniques, de-escalation techniques, and positive behavior intervention strategies.

This policy shall be made available on the district website with links to the policy available on any individual school pages. In addition, this policy shall be included in at least one of the following: each school's code of conduct, school safety plan, or student handbook.

Definitions

"Emergency Safety Intervention" is the use of seclusion or physical restraint when a student presents an immediate danger to self or others. Violent action that is destructive of property may necessitate the use of an emergency safety intervention.

"Seclusion" requires all three of the following conditions to be met: (1) the student is placed in an enclosed area by school personnel; (2) the student is purposefully isolated from adults and peers; and (3) the student is prevented from leaving, or reasonably believes that the student will be prevented from leaving the enclosed area.

"Chemical Restraint" means the use of medication to control a student's violent physical behavior or restrict a student's freedom of movement.

"Mechanical Restraint" means any device or object used to limit a student's movement.

"Physical Restraint" means bodily force used to substantially limit a student's movement.

"Physical Escort" means the temporary touching or holding the hand, wrist, arm, shoulder or back of a student who is acting out for the purpose of inducing the student to walk to a safe location.

"Time Out" means a behavioral intervention in which a student is temporarily removed from a learning activity without being confined.

Prohibited Types of Restraint

All staff members are prohibited from engaging in the following actions with all students:

1. Using face-down (prone) physical restraint;
2. Using face-up (supine) physical restraint;
3. Using physical restraint that impacts a student's primary mode of communication;
4. Using chemical restraint, except as prescribed by a licensed healthcare professional for treatment of a medical or psychiatric condition; and
5. Use of mechanical restraint, except:
 - a. Protective or stabilizing devices required by law or used in accordance with an order from a licensed healthcare professional;
 - b. Any device used by law enforcement officers to carry out by law enforcement duties; or
 - c. Seatbelts and other safety equipment used to secure students during transportation.

Training: All staff members shall be trained regarding the use of positive behavioral intervention strategies, de-escalation techniques, and prevention techniques. Such training shall be consistent with nationally recognized training programs on the use of emergency safety interventions. The intensity of the training provided will depend upon the employee's position. Administrators, licensed staff members and other staff deemed most likely to need to restrain a student will be provided more intense training than classified staff who do not work directly with students in the classroom. District and building administration shall make the determination of the intensity of training required by each position.

Documentation Each school building shall maintain documentation regarding the training that was provided and a list of participants. The principal or designee shall provide written notification to the student's parents any time that ESI is used with a student. Such notification must be provided within two (2) school days. In addition, each building shall maintain documentation any time ESI is used with a student. Such documentation must include all of the following:

1. Date and time of the intervention,
2. Type of intervention,
3. Length of time the intervention was used, and
4. School personnel who participated in or supervised the intervention.

All such documentation shall be provided to the building principal, who shall be responsible for providing copies of such documentation to the superintendent on at least a biannual basis. At least once per school year, each building principal shall review the documentation of ESI incidents with appropriate staff members to consider the appropriateness of the use of ESI in the instances.

Reporting Data

District administration shall report ESI data to the state department of education as required.

Local Dispute Resolution Process

The board of education encourages parents to attempt to resolve issues relating to the use of ESI informally with the building principal and/or the superintendent before filing a formal complaint with the board. In the event that the complaint is resolved informally, the administrator must provide a written report of the informal resolution to the superintendent and the parents and retain a copy of the report at the school. The superintendent will share the informal resolution with the board of education and provide a copy to the state board of education.

If the issues are not resolved informally with the building principal and/or the superintendent, the parents may submit a formal written complaint to the board of education by providing a copy of the complaint to the clerk of the board of education and the superintendent.

Upon receipt of a formal written complaint, the board president shall assign an investigator to review the complaint and report findings to the board as a whole. Such investigator may be a board member, a school administrator selected by the board, or a board attorney. Such investigator shall be informed of the obligation to maintain confidentiality of student records and shall report the findings and recommended action to the board in executive session.

Any such investigation must be completed within thirty (30) days of receipt of the formal written complaint by the board clerk and superintendent. On or before the 30th day after receipt of the written complaint, the board shall adopt a report containing written findings of fact and, if necessary, appropriate corrective action. A copy of the report adopted by the board shall be provided to the parents, the school and the state board of education.
