

# **D0375 - Circle**

## **High School Wellness Policies**

D0375 - Circle is committed to providing school environments that promote and protect children's health, well-being and ability to learn by supporting healthy eating, nutrition education, physical activity and integrated school based wellness. Therefore, it is the policy of D0375 - Circle that:

### **Policies in Place**

#### **Nutrition**

##### General Guidelines

Substitutions are provided for students with medical disabilities identified by a licensed physician that require meal modifications per the signed Meal Modification Form.

The food service area is clean, orderly, and has an inviting atmosphere.

All school food service personnel receive required food safety training at a minimum of every 5 years. Continuing education training for all food service personnel meets federal and state requirements.

The dining area has seating to accommodate all students during each serving period.

High School: Closed campus. Students must remain at school during lunch periods.

The dining area has adult supervision.

The dining area has food service personnel and supervisory staff use positive communication cues with students to promote consumption of foods served as part of Child Nutrition Programs.

The students are allowed to converse with one another at least part of the meal time.

Mealtime conversation is not prohibited for the entire meal time as disciplinary action.

Reimbursable meals and/or parts of a reimbursable meal are not withheld or denied as a disciplinary action.

One "Smarter Lunchroom" or a Behavioral Economics technique is used on the serving line to encourage healthy choices by students.

Identify content of reimbursable lunch and breakfast near or at the beginning of the serving line(s).

Serve a locally procured product in the school meals program at least one time per week.

##### Breakfast

All school breakfasts comply with USDA regulations and state policies.

At least three different fruits are offered each week on three different days. At least one fruit per week is served fresh.

At least five different fruits are offered each week. At least two fruits per week are to be served fresh.

Students have at least 10 minutes "seat time" to eat breakfast (not including time spent walking to and from class or waiting in line).

Students have at least 15 minutes "seat time" to eat breakfast (not including time spent walking to and from class or waiting in line).

##### Lunch

All school lunches comply with USDA regulations and state policies.

At least three different fruits are offered each week. Two fruits per week are served fresh.

## **Nutrition**

### **Lunch**

Offer one additional 1/2 cup\* vegetable offering weekly from any of three vegetable subgroups (dark-green, red/orange, dry beans and peas).

Offer an additional 1 cup\* vegetable offering weekly from any of three vegetable subgroups (dark-green, red/orange, dry beans and peas).

Students have at least 15 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

### **All Food Sold in Schools**

All foods and beverages sold in schools are in compliance with USDA's Smart Snacks in School "All Foods Sold in Schools" Standards from the midnight before to 30 minutes after the end of the official school day.

All foods and beverages sold in schools are in compliance with USDA's Smart Snacks in School "All Foods Sold in Schools" Standards from the midnight before to 5 pm.

No energy drinks are sold on school property from midnight before to 30 minutes after the end of the official school day.

### **During the School Day**

Students have access to free drinking water throughout the school day, including during meal service. Hygiene standards for all methods delivering drinking water will be maintained.

Students are allowed to have clear/translucent individual water bottles in the classroom.

Students have clear/translucent individual water bottles in the classroom.

Teachers and parents are provided with information on healthy options for classroom rewards, parties and celebrations that meet Smart Snacks in School "All Foods Sold in Schools" Standards.

Foods and beverages for classroom rewards, parties and celebrations will not be provided within one hour before or after the end of the last lunch period.

Fundraising within the school day meets "All Foods Sold in Schools" Standards (sans the exempted fundraisers).

Fundraising within the school day and until 5 pm meets "All Foods Sold in Schools" Standards (sans the exempted fundraisers).

## **Nutrition Education**

### **Nutrition Promotion**

School promotes participation in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) if applicable and to choose nutritious foods and beverages throughout the day. Menus are posted on school website and/or distributed to families via another method.

Students provide input on foods offered in the cafeteria.

Students learn about the nutrition requirements for school meals and some students are involved in helping plan menus.

Marketing and advertising of nutritious foods and beverages to students is implemented consistently through a comprehensive and multi-channel approach by school staff, teachers, parents, students and the community.

### **Nutrition Education**

All students in grades K-12, including those with disabilities, special health care needs and in alternative education settings, will have the opportunity to participate in culturally relevant participatory activities and a variety of learning experiences that support development of healthful eating habits that are based on the most recent Dietary Guidelines for Americans and evidence-based information.

School administrators inform teachers and other school personnel about opportunities to attend training on nutrition and encourage them to attend training on teaching nutrition.

Teachers and other school personnel participate in nutrition education-related training at least once a year.

Active learning experiences are provided such as involving students in food preparation or other hands-on activities.

## **Nutrition Education**

### **Nutrition Education**

Integrate nutrition education into other core subjects such as math, science, language arts, and social sciences, as well as in non-core and elective subjects.

Include nutrition and health posters, signage, or displays in the cafeteria food service and dining areas, classrooms, hallways, gymnasium, and/or bulletin boards that are rotated, updated or changed quarterly.

School personnel discuss with students the nutrition education materials displayed.

Offer information to families at least once per semester that encourages them to teach their children about health and nutrition, and assists them in planning nutritious meals for their families.

Offer information to families at least once per quarter that encourages them to teach their children about health and nutrition, and assists them in planning nutritious meals for their families.

## **Physical Activity**

### **General Guidelines**

All students in grades K - 12, including those with disabilities, special health care needs and in alternative education settings, have the opportunity to participate in moderate to vigorous physical activity at least 2 times per week during the entire school year.

All students in grades K - 12, including those with disabilities, special health care needs and in alternative education settings, have the opportunity to participate in moderate to vigorous physical activity 3 or more times per week during the entire school year.

Physical activity facilities in and on school property are safe with sufficient age-appropriate equipment for all students, including those with disabilities. Adequate adult supervision is provided.

School prohibits the use of physical activity as a punishment. Schools prohibit withholding physical activity, including recess and physical education, as punishment.

School encourages extra physical activity time is an option for classroom rewards.

School offers lifetime physical activity that teaches basic motor skills, enhances knowledge of concepts related to movement needed to achieve and maintain health. Students learn the benefits of and an appreciation for regular physical activity.

### **Physical Education**

The physical education curriculum is sequential and consistent with Kansas State Board of Education approved physical education teaching standards for pre-kindergarten through grade 12.

High school students are provided structured physical education in at least 1 course required for graduation.

Physical education curriculum encourages a multi-dimensional fitness assessment.

Physical education curriculum includes fitness assessment of at least 50% of all students enrolled in physical education and student fitness reports are available to parents.

Physical education is taught by teachers licensed by the Kansas State Department of Education.

### **Before & After School**

Extracurricular physical activity programs, such as a physical activity club or intramural programs, are offered.

### **Family & Community**

Community members are provided access to the school's outdoor physical activity facilities.

## **Integrated School Based Wellness**

### **General Guidelines**

Annual staff wellness activities and/or professional development opportunities related to nutrition, physical activity and abstaining from tobacco are provided to encourage school staff to serve as healthy role models. Staff wellness activities and training may also include additional components of the Whole School, Whole Community, Whole Child Model.

Each semester, health education is provided to families via handouts, postings on the school website, newsletters, presentations and workshops.

The local school wellness policy team meets at least twice per year.

The school wellness policy and progress toward meeting the State Model Wellness Policy are made available to the public, including parents, students and the community.

# **D0375 - Circle**

## **High School Wellness Policies**

The following Wellness Policies are in the process of being developed:

### **Developing Policies**

#### **Nutrition**

##### General Guidelines

All school food service personnel receive required food safety training at a minimum of every 3 years.

The dining area had adults model healthy eating in the dining areas and encourage students to taste new and/or unfamiliar foods.

Two "Smarter Lunchroom" or Behavioral Economics techniques are used on the serving line to encourage healthy choices by students.

##### Lunch

At least five different fruits are offered each week. Four fruits per week are served fresh.

Students have at least 20 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

##### During the School Day

All foods and beverages provided by teachers and the school for classroom rewards, parties and celebrations meet Smart Snacks in School "All Foods Sold in Schools" Standards.

Fundraising activities involving the sale of food or beverages that meet "All Foods Sold in Schools" Standards and/or exempted fundraisers will not take place until after the end of last lunch period.

Fundraising activities support nutrition, nutrition education and physical activity messaging.

#### **Nutrition Education**

##### Nutrition Education

Include nutrition education as part of health education classes and/or stand-alone courses for all grade levels, including curricula that promote skill development.

School personnel collaborate with the school nutrition staff to use the cafeteria as a learning laboratory that allows students to apply critical thinking skills.

Offer information to families at least once per month that encourages them to teach their children about health and nutrition, and assists them in planning nutritious meals for their families.

#### **Physical Activity**

##### General Guidelines

All students in grades K - 12, including those with disabilities, special health care needs and in alternative education settings, have the opportunity to participate in moderate to vigorous physical activity every day during the entire school year.

## **Physical Activity**

### **Throughout the Day**

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are encouraged for all students.

### **Before & After School**

Extracurricular physical activity programs, such as a physical activity club or intramural programs, are offered, with input from students, and meet the needs, interest and abilities of a diverse student body.

## **Integrated School Based Wellness**

### **General Guidelines**

Each semester provide staff wellness activities and/or professional development opportunities related to nutrition, physical activity and abstaining from tobacco are provided to encourage school staff to serve as healthy role models. Staff wellness activities and training may also include additional components of the Whole School, Whole Community, Whole Child Model.

Each quarter provide staff wellness activities and/or professional development opportunities related to nutrition, physical activity and abstaining from tobacco are provided to encourage school staff to serve as healthy role models. Staff wellness activities and training may also include additional components of the Whole School, Whole Community, Whole Child Model.

Annually partner with community health agencies/organizations and/or allow community use of school facilities for wellness activities.

Quarterly, culturally relevant health education is provided to families via handouts, postings on the school website, newsletters, presentations and workshops.

The local school wellness policy team meets at least once per quarter.

The following students, parents, classroom teachers, food service professionals, physical education teachers, health professionals, administrators, school board members and other interested community members are engaged in developing, implementing, monitoring, reviewing and making the district wide wellness policies available to the public:

Michael Janzen, Chairperson

Teresa Adams

Billy Jackson

Eddie Stackley
